Dear Kamal Thakkar

Hope you're doing well. I am writing to sincerely apologise for not submitting the project by the deadline, which we have discussed. Unfortunately, due to some development failure, which causes an unexpected error. So due to that, I apologise for the delay project submission.

I understand the importance of your project which you have needed on time, but please accept my sincere apology And please rest assured that Our team is actively working on your project, and I expect to complete it by the end Week.

Thank you for your understanding and patience. I appreciate your continued support.

Best regards
Umang Soni

Request for status update on router fitting Inbox
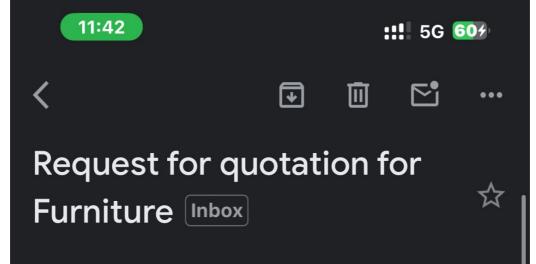

DARK G... 11:35 PM
to me ⌄

Dear Jio Fiber Team

I am writing to kindly request an update on the status of the router fitting at My location was scheduled for last week, but still installation is incomplete and your local area agents are not answering properly and I want to check the Progress.
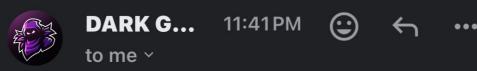

Could you guys please provide an estimated completion date or inform any updates for installation, which causing an error. Please make sure it will be completed by the end of this Friday.

Thank you for your attention to this and look forward to hearing from you soon

Best regards
Umang Soni

We will update   It will be
